FAQ

Q: If I am Life Loyal, can I still pay dues to my local chapter?

A: Yes! When you pay your chapter dues in Theta Portal, a coupon code automatically appears that will remove the \$33 portion which would usually go to the Fraternity. You would just be responsible for paying the local dues amount that is determined by the chapter.

Q: I'd prefer to pay my voluntary dues each year instead of an automatic recurring payment. Can I do that?

A: Yes! If you would rather make a one-time payment, please use the one-time payment form found at thetaforalifetime.org.
