

Bethlehem star shines over Lehigh installation

The Bethlehem Star of Bethlehem, Pennsylvania shone brightly over Lehigh University on the weekend of December 7, 8 and 9, 1984. It was in the Christmas City that Kappa Alpha Theta celebrated the installation of its 107th chapter, Epsilon Rho.

The traditional weekend began with the loyalty service on Friday. Saturday was busy with initiation services and the charter service. In the evening, alumnae, friends, family and University guests joined the new Thetas in toasting our founders at the Installation Banquet. Activities continued Sunday with a model chapter meeting. Then, in Theta tradition, the fifty charter members, wearing their badges high on their collars, attended a church service together. Sunday afternoon, Epsilon Rho greeted Lehigh students and faculty members at a campus reception.

Participating in the weekend's events were: Grand President Sue Supple; Grand Vice-President Development Marian Paoletti; Grand Vice-President Membership Jane Hedges; Central Office Administrative Assistant Betsy Sierk; College District President Marilyn Huseby; Alumnae District President Sally Hughes; and Chapter Consultants Donna Dent, Julie Kay Sheldon and Michele Demarest.

The assisting chapters were Epsilon Xi of Villanova University and Epsilon Mu of Princeton University. Surprise visitors were charter members of Epsilon Pi who had been installed just weeks before at Bucknell University.

Special thanks are extended to the members of the Lehigh Valley Alumnae Club for their love and support and to all Thetas for welcoming Kappa Alpha Theta's newest star!

Charter member Angela Stout and her father enjoy the banquet.
