Welcome, ZETA UPSILON

Kappa Alpha Theta's newest chapter, Zeta Upsilon, was installed on the campus of the University of Texas, Dallas, on March 9. Thirty new members were initiated by a 13-person installation team with assistance from the Beta Sigma Chapter at Southern Methodist and the Gamma Psi Chapter at Texas Christian.

Congratulations to our brand-new chapter!

The charter members of Zeta Upsilon gather for their first group portrait.

The Fraternity's newest members socialize at a reception before the Installation Banquet.
